"Transforming Lives By Promoting Successful Community Living For People With Psychiatric and Other Disabilities"

Message from the Executive Director

People often asks us, "how can we help in a tangible way"?

A gift of $25 buys cleaning supplies, a set of towels, a blanket or pots and pans
A gift of $50 buys sheets, pillow and blanket
A gift of $200 buys a bed, delivered and set up
A gift of $500 will buy furniture for an apartment
A gift of $1000 will furnish and equip an entire apartment

Your donation helps us provide a safe, affordable place to call home - the first step towards successful community living.

The Rules for Being Human

- There are no mistakes, only lessons. Growth is a process of trial and error experimentation. The "failed" experiments are as much a part of the process as the experiment that ultimately "works".
- "There" is no better than "Here". When "there" has become a "here" a new "there" will appear and will, again look better than "here".
- All of your answers are already within you, all you need to do is listen and trust your own abilities.
